

October, 2012

Dear Customers,

Conecta 4 Solutions, S.L. is pleased to announce that we have entered into a definitive merger agreement with EURONA S.A, the leading provider of wireless telecommunication services in Spain and Europe, this will translate in an added value to the service provided which will increase the number and quality of products provided to our customers.

The integration of both companies will take place in October 2012. Invoicing and bank drafts will be ordered directly from EURONA, S.A., with NIF A-63134357, starting November 1st, 2012

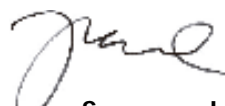

The change on the invoicing will not check any paperwork or procedure on your part, so we encourage you to continue to enjoy the service provided as usual.

This official announcement can be consulted on our Web page www.conecta4.com/eurona. Should you have any questions regarding the merging or services, please don't hesitate to contact us at **900 850 808** or send us an e-mail to atencionalcliente@eurona.net . For Tech Support, please call **902 946 226**.

Sincerely,
